

2015 Mt. Hood Rally

Driver's Bulletin #1

October 15, 12:00

1. The recce speed limit as defined in the Supplemental Regulations Section 10.6 **has been reduced to 25 MPH**. Transit speed limits remain as specified in the routebook.
2. Due to extreme fire danger, **no smoking or open flames are allowed outside of a vehicle anywhere at the event, including registration, transits, stages, and service**. If you must smoke or ignite an exposed flame, you must do so inside of a vehicle. All ashes or other waste must be contained inside of the vehicle.
This rule applies to all competitors, volunteers, media, and anyone else at the event. Failure to comply may result in immediate exclusion.
 - a. Exception to this rule may be granted at the discretion of the event chair, stage captain, or service area coordinator for cooking or service purposes.
3. The 'Schedule of the Rally' on page 3 of the Supplemental Regulations lists incorrect dates. All times as listed are correct.

Please refer to the following schedule for correct dates:
